CSE 3002 – Internet and Web Programming

LAB 2

SUBMISSION BY: Aryan Bhardwaj

REGISTER NUMBER: 20BCE1908

DATE: 04.08.2022

SLOT: L19-L20

1. Make a job application form

HTML CODE –

```html
<!DOCTYPE html>
<html>
    <head>
        <title>JOB APPLICATION FORM</title>
        <meta charset="utf-8">
        <link rel = "stylesheet"  href = "styles.css">
    </head>
    <body>
        <div class = "header">
            <h1>JOBSHALA</h1>
        </div>
        <h3 style="color: brown; text-align: center;">APPLY FOR YOUR FAVOURITE
JOB!</h3>
        <div class = "para1">
            <p>Please carefully go through the following: </p>
            <ol type="1">
                <li>Your detials will be kept confidential and will only be
used for job/contacting purposes</li>
                <li>Jobshala takes full responsibilty in case of data
leak</li>
                <li>Applying more than once shall considered the candidate's
application as rejected</li>
            </ol>
        </div>
        <div class = "app-form">
            <form>
                <label for="fname">First name:</label><br>
                <input type="text" id="fname"><br><br>
                <label for="lname">Last name:</label><br>
                <input type="text" id="lname"><br><br>
                <label for="age">Age: </label><br>
                <input type="text" id="age"><br><br>
                <label for="dob">Date of Birth:</label><br>
                <input type="date" id = "dob"><br><br>
```

```html
            <label for="mail">Email:</label><br>
            <input type="text" id="mail"><br><br>
            <label for="contact">Contact Number:</label><br>
            <input type="number" id="contact"><br><br>
            <label for = "nt">Native Town:</label><br>
            <input type="text" id = "nt"><br><br>
            <label for = "adr">Current Address:</label><br>
            <input type="text" id = "adr"><br><br>
            <label for="pyear">Passing Year: </label><br>
            <select name="cars" id="cars">
                <option value="b2018">Before 2018</option>
                <option value="2018">2018</option>
                <option value="2019">2019</option>
                <option value="2020">2020</option>
                <option value="2021">2021</option>
                <option value="2022">2022</option>
              </select> <br><br>
            <label for="pa">Position you are applying for:</label><br>
            <input type="checkbox" id = "pa">Sales Manager
            <input type="checkbox" id = "pa">Product Manager
            <input type="checkbox" id = "pa">Software Developer
            <input type="checkbox" id = "pa">Front-end Developer
            <input type="checkbox" id = "pa">Back-end developer
            <br><br>
            <label for="sr"></label>Salary Requirements:</label><br>
            <input type="text" id="sr"><br><br>
            <label for="work">Latest Job Experience:</label><br>
            <input type="text" id="work"><br><br>
            <label for="rlc">Are you willing to relocate?</label><br>
            <input type="radio" id = "rlc">Yes
            <input type="radio" id = "rlc">No <br><br>
            <label for="rl">Resume link: </label><br>
            <input type="url" id = "rl"><br><br>
            <label for = "ref">References/Questions/Comments</label> <br>
            <input type="text" id = "ref"><br><br>
            <button class = "btn1"><b>SUBMIT APPLICATION</b></button>
            <button class = "btn2"><b>CLEAR</b></button>
        </form>
      </div>

    </body>
</html>
```

CSS CODE –

```css
body
{
    background-color: bisque;
    padding:0%;
    margin: 0%;
}
p
{
    color: brown;
    font-size: 20px;
}
.para1
{
    margin-left: 30%;
}
.header
{
    background-color: black;
    /* height: 100px;
    width:   */
    display: flex;
    color: antiquewhite;
    padding-left: 20px;
    position: relative;
    margin: 0%;
}
.app-form
{
    text-align: center;
    background-color:burlywood;
    position: relative;
    width: 750px;
    padding: 15px 30px 15px 30px;
    margin-top: 30px;
    display: flex;
    justify-content: center;
    margin-left: 30%;
}
.btn1
{
    padding: 10px 5px 10px 5px;
    background-color:bisque ;
    position: relative;
    margin-right: 25%;
}
.btn2
{
```

```
    padding: 10px 5px 10px 5px;
    background-color:bisque ;
    width: 20%;
}
```
